

Students for Life Action Scoring Alert:
VA Abortion Transparency Act of 2024
April 22, 2024

Dear United States Senate,

On behalf of our more than 1,400 student groups and more than 200,000 trained activists across the United States, I urge you to co-sponsor the *VA Abortion Transparency Act of 2024*.

Students for Life Action applauds Sen. Tuberville for introducing a measure demanding that the Department of Veterans Affairs account for their abortion support. Sen. Tuberville has long been a stalwart pro-life champion, fighting against the increasing politicization and remaking of the Department of Defense and Veterans Affairs into yet another pro-abortion proxy for Joe Biden's administration. We're grateful for his leadership on this issue, forcing the government to show the taxpayers exactly how their resources are misused to end the families of those in the military, rather than support them. We call upon other Members of Congress to co-sponsor and support this critical legislation, and we call upon the Biden administration to follow the laws of this country.

Sen. Tuberville's noted in an [interview with Fox News](#) that his introduction of [VA Abortion Transparency Act of 2024](#) is based upon the rules from the [Veterans Health Care Act of 1992](#), which, according to the article, "clearly prohibits the VA from providing abortion services of any kind." Yet, the VA reported in October 2023 that in the previous year the VA facilitated [88 abortions](#).

Please join SFLAction and the pro-life community nationwide by co-sponsoring the *VA Abortion Transparency Act of 2024*.
