

IT'S TIME TO **DEFUND** *PLANNED PARENTHOOD* & THE ABORTION INDUSTRY!

Contact Your Senators & Other Key Decision Makers Today!

The House has passed President Trump's Big, Beautiful Bill, which cuts funding to *Planned Parenthood*. Now, the Senate must act.

WHY YOU SHOULD CONTACT YOUR SENATORS TO CUT FUNDING FROM *PLANNED PARENTHOOD*:

Planned Parenthood ends the lives of **1,101 preborn children every day** — over 400,000 per year — while receiving **\$800 MILLION** in taxpayer funding annually.

Planned Parenthood is the **nation's #1 distributor** of sterilizing cross-sex hormones, often 'transing' minors without mental health evaluations or parental consent.

Planned Parenthood has been involved in **various unethical practices** such as Medicaid fraud, exploitation of vulnerable women, and profiteering from the sale of fetal body parts.

While *Planned Parenthood* profits from abortion & controversial procedures, there are **20,000+ Federally Qualified Health Centers** and **3,000+ Pregnancy Resource Centers** that offer life-affirming support to women and families.

Planned Parenthood spends record-breaking amounts of money on politics, with **\$69.5 million spent** during the last election cycle to support our political enemies.

TAKE ACTION NOW!

Contact your Senators TODAY to **defund *Planned Parenthood*** and redirect our hard-earned taxpayer dollars to **life-affirming healthcare & funding for families**:
